The Oklahoma State Department of Health does not promote or sanction any particular food, drug or cosmetic product or its manufacturer. We can, however, certify that to our knowledge, these products do not violate current local, state or federal sanitary regulations, particularly those provisions governing the production and release of foods, beverages, drugs, cosmetics and beautifying products for direct human consumption in this Country.

We can further certify that to the best of our knowledge the product(s) listed above is currently being freely shipped from Oklahoma to other states throughout the United States for sale to consumers.

Sincerely yours,

Phillip Jurina, RPES, RPS  
Administrative Programs Manager
